VOICES THAT CARE
#1089-2
Sing Like "VOICES THAT CARE"
Range: A3-C5 • Key: Eb • 4 Bar Intro

Lonely fear lights up the sky
Can't help but wonder why you're so far away
There you had to take a stand
In someone else's land
Life can be so strange
I wish we never had to choose
To either win or lose
That we could find a way
But I won't turn my back again
Your honor I'll defend
So hurry home
Till then, till then

Chorus:
Stand tall, stand proud
Voices that care are crying out loud
And when you close your eyes tonight
Feel in your heart how our love burns bright

I'm not here to justify the cause
Or to count up all the loss
That's all been done before
I just can't let you feel alone
When there's so much love at home
We're sending out to you

All the courage that you've known
The bravery you've shown clearly lights the way
We pray to make the future bright
To make the wrong things

Right or wrong, we're all praying
You remain strong
That's why we're all here and singing along

(CHORUS)

And when you close your eyes tonight
Feel in your heart how our love burns bright
You are the voice
You are the light

(CHORUS)

(CHORUS)

You are the voice and the guiding light
Feel in your heart how our love burns bright

THAT'S WHAT FRIENDS ARE FOR
#1089-3
Sing Like DION WARWICK & FRIENDS
Range: G3-B5 • Key: Eb • 4 Bar Intro

And I never thought I'd feel this way
And as far as I'm concerned
I'm glad I got the chance to say
That I do believe I love you
And if I should ever go away
Well then, close your eyes and try to feel
The way we do today
And then, if you can remember

Chorus:
Keep smiling, keep shining
Knowing you can always
Count on me for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for

Well, you came and opened me
And now there's so much more I see
And so, by the way, I thank you
And then for the times when we're apart
Well then, close your eyes
And know these words
Are coming from my heart
And then, if you can remember

(CHORUS)

(CHORUS)

Keep smiling, keep shining
Knowing you can always
Count on me for sure
That's what friends are for
For good times and bad times
I'll be on your side forever more
That's what friends are for
Keep smiling, keep shining
Call on me for sure
Call on me for sure

I'D LIKE TO TEACH THE WORLD TO SING
#1089-4
Sing Like THE NEW SEEKERS
Range: C4-C5 • Key: F • 2 Bar Intro

Chorus:
I'd like to build the world a home
And furnish it with love
Grow apple trees and honey bees
And snow white turtle doves
I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms
And keep it company

I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace throughout the land

That's the song that I hear
Let the world sing today
A song of peace
That echos on and never goes away

(CHORUS)

I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace throughout the land
For peace throughout the land

EASE ON DOWN THE ROAD
#1089-5
Sing "THE WIZ"
Range: D4-B5 • Key: G • 4 Bar Intro

Come on ease on down
Ease on down the road
Come on, ease on down
Ease on down the road
Don't you carry nothin'
That might be a load
Come on, ease on down
Ease on down the road

Come on ease on down
Ease on down the road
Come on, ease on down
Ease on down the road
Don't you carry nothin'
That might be a load
Come on, ease on down
Ease on down the road

Pick your left foot up
When your right foot's down
Come on legs, keep movin'
'Don't you lose no ground
You just keep on keepin'
On the road that you choose
Don't you give up walkin'
'Cause you gave up shoes, no

Ease on down
Ease on down the road
Come on,othin'
That might be a load
Come on, ease on down
Ease on down the road

'Cause there may be times
When you think you lost your mind
And the steps you're takin'
Leave you three, four steps behind
But the road you're walkin'
Might be long sometimes
You just keep on truckin'
And you'll be just fine, yeah

Ease on down
Ease on down the road
Come on, ease on down
Ease on down the road
Don't you carry nothin'
That might be a load

Ain't nothin' like the real thing baby
Ain't nothin' like the real thing
Ain't nothin' like the real thing baby

But it can't seem to come to me
When I call your name

They don't move me, they don't grove me
Like when I hear your sweet voice
Whispering in my ear

(CHORUS)

Female:
I play my games of fantasy
I pretend I don't see reality
I need the shelter of your arms to comfort me

I got some memories to look back on
Though they help me when your gone
I'm well aware that nothin' can take the place
Of you being there

No other sound is quite the same as your name,
No touch can do half as much

To make me feel better

Both: Lets stay together

So glad we got the real thing baby
So glad we got the real thing

LOVE'S THE ONLY HOUSE
#1359-1
Sing Like MARTINA MCBRIDE
Range: A3-C#5 • Key: A • 8 Bar Intro

I was standing in the grocery store line
The one they marked express
When this woman came through
With about 25 things
And I said don't you know that more is less
She said this world is movin' so fast
I just get more behind every day
And every mornin' when i make my coffee
I can't believe my life's turned out this way
All I could say was

Chorus:
Love's the only house big enough
For all the pain in the world
Love's the only house big enough
For all the pain

He was walkin' by the other day and I said
Hey baby...how you been
Yeah I got me a little girl now
And she's four years old
And she's got her daddy's little grin
And you only wanted what you can't have
And baby you can't have me now
i gave my heart to another
Yeah I'm a mother and he's a father and
We're a family and we got each other
And I found out the hard way that

(CHORUS)

You drive three miles from all this prosperity
Down across the river and you see a ghetto there
And we got children walking around with guns
And they got knives and drugs and pain to spare
And here I am in my clean white shirt
With a little money in my pocket
And a nice warm home
And we got teenagers walkin'
Around in a culture of darkness
Livin' together alone...all I can say is

(CHORUS)

And I can't explain it and I can't understand
But I'll come down and get my hands dirty
And together we'll make a stand
Somewhere 'cross the parking lot
Some bands playin' out of tune
City streets are gonna burn
If we don't do something soon
And señorita can't quit cryin
Baby's due now any day
Don Juan left got sick of trying
No one there to show him the way
She came down to the grocery store
And she said I, I wanna buy
A little carton of milk but I don't have any money
I said hey I'll cover you honey
So come on down to my house
Don't you know that

(CHORUS)

Don't you know that

(CHORUS)

Yeah

If I could grant you one wish
I wish you could see the way you kiss
Oooh I love watching you baby

There's nowhere else I'd rather be
Ooh to feel the way I feel
With your arms around me
I only wish that you could see
The way you love me
Whoa, oh oh, the way you love me

It's not right, it's not fair
What you're missing over there
Someday I'll find a way to show you
Just how lucky I am to know you

Sing Like TRISHA YEARWOOD

Range: A3-B4 • Key: D • 4 Bar Intro

I am home now
Home now
I've been waiting for forever to find you
To find you
I'm not alone now
Alone now
'Cause you've taken in my heart
From the cold

All I know is everytime I look into your eyes
I'm home, I know

Chorus:
You're where I belong
I belong with you
You're where I belong
And I know it's the truth
You're part of my heart
There's nothin' I can do
Oh you're the one who keeps me warm
Oh baby you're where I belong

You're my first taste, my first taste
Of the sweetest feeling I've ever know
That I've known
You're my safe place, my safe place
From a world that can be so cruel and cold
You're my harbor you're my shelter
You're that welcome smile that lets me know
I'm home

Whoa, oh oh, the way you love me
Whoa, oh oh, the way you love me
Oh the way love me
The way you love me
Oh yeah
Oh the way you love me

THE WAY YOU LOVE ME
#1359-2
Sing Like FAITH HILL
Range: A3-B4 • Key: C • 10 Bar Intro

If I could grant you one wish
I wish you could see the way you kiss
Oooh I love watching you baby
When you're driving me crazy

Chorus:
Ooh I love the way you love the way you love me
There's nowhere else I'd rather be
Ooh to feel the way I feel
With your arms around me
I only wish that you could see
The way you love me
Whoa, oh oh, the way you love me

It's not right, it's not fair
What you're missing over there
Someday I'll find a way to show you
Just how lucky I am to know you

(CHORUS)

You're the million reasons why
There's the love reflecting in my eyes

(CHORUS)

Whoa, oh oh, the way you love me
Whoa, oh oh, the way you love me
Oh the way love me
The way you love me
Oh yeah
Oh the way you love me
